

# Class 3 Permit Modification Meeting

**DATE:** Wednesday, Nov. 13, 2013  
**TIME:** 2–3 p.m. (PCAPP Pilot Test Plan is also on the agenda)  
**PLACE:** Pueblo County District Attorney's Office,  
700 Court Street, Pueblo, CO 81006

The Pueblo Chemical Depot (PCD) invites you to a public meeting to discuss the submittal of a class 3 permit modification to Colorado Department of Public Health and Environment (CDPHE).

PCD has notified CDPHE of the following revision to PCD's Resource Conservation and Recovery Act (RCRA) Part B Permit. This class 3 permit modification is to add the operation of Explosive Destruction System (EDS) units at PCD to augment the Pueblo Chemical Agent-Destruction Pilot Plant (PCAPP) operations.

The EDS is a state of the art transportable system providing safe, on-site treatment of the overpacked munitions, DOT cylinders, and miscellaneous items containing mustard agent currently stored at PCD and to treat any reject munitions or contaminated bursters generated from the PCAPP operations.

*Representatives from the PCD Environmental Management Office, the Joint Project Manager for Elimination (Provisional) (JPM-E (P)) office, and PCAPP office will be available to answer questions about the class 3 permit modification and the RCRA modification process.*

Location is wheelchair accessible. Individuals needing special accommodations during this meeting should notify the PCD Public Affairs Office, phone number (719) 549-4118, 72 hours in advance of the meeting to make arrangements for interpreter or access.
